Have you ever been to a major college stadium, heard them crank up the music, watched the players run through a tunnel and onto the field, and listened to the pandemonium that breaks out from the crowd? It's fun! Exciting! You know a show's about to begin.

Well, our show for 2007 has already begun, but we want to invite you to create some excitement and thrills of our own in celebrating a "masterful" year fishing, and bringing in Farm Credit's version of the Bowl Championship Series in '07.

Enclosed is your ticket to your state Celebration '06 and Kick-off '07 event. Hold onto it because you'll want to tear off the stub and be eligible for some of the door prizes to be given away at each location.

Each event is being staged near a major football venue and we have some exciting sights and sounds for you as well as a delicious luncheon. All Farm Credit's doors are closed on Feb. 9 as we justifiably celebrate a sensational '06.

Your ticket stub gives you important details on the place and time for this event. Look for more information on our daily intranet news as the event nears. This will include specifics on parking and other details.

From our National Champion Buckeyes to our Boilermakers; from the Hoosiers to the Irishmen of northern Indiana; from 'ol Rocky Top and the Volunteers to the mighty Cardinals and the resurgent Wildcats. From wherever you are, to whomever you follow ...
